

GLASS SUPPLY DEPOTS

When replacement is necessary due to separation or discoloration, or where no claim is involved, body and windshield glass should be ordered from local representatives of the glass manufacturers. The Pittsburgh Plate Glass Company, the W. P. Fuller Company, the Libbey-Owens-Ford Glass Company and the American Window Glass Company have been furnished with blueprints of glass. Therefore, when placing orders for glass always furnish them with the correct part number (also type of car) of the glass required.

Where replacement is necessary due to cracked or broken glass and claim is to be made, replacement should be made in accordance with Claims Policy Letter No. 35 dated September 1, 1941.
